Solegra LED surface-mounted luminaire

Solegra LED floats below the ceiling like a large sun. With its uniform, glare-free light and modern, purist design this series of round luminaires lends any room a special look, and is ideal for e.g. creative zones, VDU workstations and prestigious sales spaces.

E-Line NEXT modular continuous line

Still in the portfolio for the refurbishment and expansion of existing systems: the E-Line Fix continuous line system with trunking that has been tried and tested for many years. This ensures continuity and investment security for our customers and E-Line users - and is what the TRILUX after-sales promise stands for.

Lumega IQ

Beautiful and smart cities have a clever ally: Lumega IQ LED. Be it main road, car park or residential area – the highly flexible luminaire range brings excellent light to any application area. Its consistently minimalist, modern design blends harmoniously into any environment while state-of-the-art technologies guarantee maximum efficiency and sustainability. Lumega IQ LED is also ideally equipped for the future thanks to IoT interface networking capability.
