Inperla Ligra Plus C05 LED downlight ceiling cutout Ø 140 mm

Refurbishing was never so simple as with the easy-mounting and flexible Ligra Plus LED. With the cladding covers, the luminaire fits into nearly all existing ceiling cutouts and if required can be connected via mains through-wiring from luminaire to luminaire to save time. The Ligra Plus LED is available with different luminous flux packages and beam characteristics for the optimal illumination of a wide variety of rooms. All versions fulfil maximum demands for visual comfort and energy efficiency. And thanks to the diverse design versions, the Ligra Plus LED always blends harmoniously into the interior design.

Solvan Flow H LED suspended luminaire

Everything is possible, from single luminaires as recessed, surface-mounted and suspended versions to continuous lines with integrated emergency light function.

Onplana LED surface-mounted luminaire

Inplana and Onplana LED downlights are the optimum lighting solution for nearly all office applications. Thanks to their modern, minimalist design these flat downlights blend harmoniously into all styles of architecture and emit planar, glare-free light when mounted on walls and ceilings.
