Polaron IQ LED surface-mounted luminaire

The basis element of the Polaron IQ LED family is a filigree, round light profile supplying maximum planning flexibility: Its diversity enables countless combinations in the series – meaning that light and luminaire design can be perfectly modified to the application. The custom-designed luminaire is installed without any effort thanks to a clever fixing concept.

Inplana LED downlight ceiling cutout Ø 215/300/425 mm

Inplana and Onplana LED downlights are the optimum lighting solution for nearly all office applications. Thanks to their modern, minimalist design these flat downlights blend harmoniously into all styles of architecture and emit planar, glare-free light when mounted on walls and ceilings.
